SPORTS STANDARDS OF CHESS COMPOSERS THE COMPETITION FCCM

1. The personal rating of a chess composer is calculated using the formula

$$R = R_s + K,$$

R – personal rating of the chess composer;

R_s - starting rating of the chess composer, R_s = 1800 points;

K – the number of points awarded in the competition is shown in Table 1.

Table 1 – Number of points awarded in competitions

Name of the competition	Number of points awarded		
	1st place	2nd place	3rd place
Annual competition "7 chess notes" and competitions of affiliated organizations	10	7	5
Miniaturists championship	50	25	15
"Album FCCM"	For each composition – 4 points		
Album of Russia. Miniatures	For each composition – 0.5 points, publication period 1992-2011. No points are awarded for the following time		

If there are equal places or if there are several authors in the composition, the number of points is divided equally between the participants.

Only those sections of the competition where at least 12 chess players participate are considered to be scoring points for calculating the rating.

2. Sports standards for awarding titles are shown in Table 2.

There are two ways to assign a title:

- simultaneous performance of the rating value and the minimum number of 1-3 places without dividing the third places with subsequent places;
- set the specified number of points in the Album FCCM.

Table 2 - Sports regulations for awarding titles

Rank	Personal rating in points	Championship of miniaturists	Album FCCM
		Minimum number of 1-3 places*	Number of points (compositions)

Appendix 3
JUNIOR QUALIFICATION STANDARDS
IN TOURNAMENTS ON THE DECISION OF CHESS COMPOSITIONS
Fundamentals

1) Qualification standards are established in order to create moral and sporting incentives for juniors under 21 years of age on the day of the tournament. All tournaments on the solving of chess compositions held under the auspices of the "Federation of chess composition thumbnails" (FCCM) and have sports status only within FSCM.

Control in terms of compliance with the rules is given to the participant himself, because in this case it is important for him directly: to learn how to solve chess compositions, and not to use hints.

2) at least 10 Junior chess players must participate in each tournament in the overall standings. Face-to-face tournaments are held at the request of the regions on the same day according to the tasks prepared by the FCCM.

3) the Standards are set for two groups of participants: no older than 13 years and no older than 21 years on the day of the competition. Completed qualification standards of the Junior group do not apply to the senior group.

Performance of qualification standards for juniors in competitions for solving compositions-miniatures is carried out in accordance with Table 5.

Table 5 - Junior Qualification standards

Sports category (title)	Standard	Note
Master (Junior)	At least 6 times to score at least 90% of points	1) Two tournaments must be in full-time format; 2) if the standard "candidate for master (Junior)" is met earlier.
Master's candidate (Junior)	At least 5 times to score at least 80% of points	All tournaments can be in absentia format
1st category (Junior)	Score at least 70% of points at least 4 times	
2nd category (Junior)	Score at least 60% of points at least 3 times	
3rd category (Junior)	Score at least 50% points at least 2 times	

To obtain a qualification certificate (in pdf format), a participant who has fulfilled the standard must send: Valery Alekseevich Ivanov^ iva.53@mail.ru a statement where you can specify the following information about yourself:

- 1) Last name, first name, patronymic (in full).
